**7. Description of Products, Services, Capabilities, NAICS Codes**

Toeroek is a proven and highly capable local consulting company headquartered in Lakewood Colorado with capabilities in all phases of environmental investigation, remediation and restoration. Our team of scientists, engineers, and environmental regulatory specialists are experts in environmental planning, investigation, remediation, compliance, permitting, community involvement, operations, and maintenance. We have HAZWOPER Certified Personnel. In addition to our technical capabilities, our status as a Woman-Owned Small Business (WOSB) in all the environmental NAICS codes provides a boost in meeting small business contracting and subcontracting goals. We have been an EPA contractor for over 15 years and presently have several EPA contracts, including ESS contracts in multiple EPA Regions and a REPA contract in Region 8 (as well as Regions 4 through 10); we are the recipient of two EPA small business awards (2009 and 2013).
